

## COURSE DESCRIPTION

**Grade:** Kindergarten

**Home Education Program:** Abeka Academy

Subject	Description	Dates
<b>Bible</b>	<b>Bible-</b> develop a basic understanding and recognition of Bible characters and their stories. Students will memorize verses and get to know the life of Jesus.	08/08 - 05/23
<b>Math</b>	<b>Numbers</b> —Your child will memorize addition facts up through the number 10 and will be able to identify what numbers come before and after any number from 1 to 100. He will also begin to learn about subtraction, complete one-step story problems with addition, and recognize the largest and smallest numbers from a set of numbers.	08/08 - 05/23
<b>English</b>	<b>Writing</b> —The continuous flow of cursive writing is much more natural for little ones than the starts and stops of manuscript writing. Research shows that learning cursive writing improves a child’s hand-eye coordination, motor skills, and other brain and memory functions, including increased focus and prolonged attention. Prepare to be amazed with your child’s beautiful writing skills as he learns good technique from the beginning.	08/08 - 05/23
<b>Phonics</b>	<b>Phonics</b> —Your child will enjoy carefully sequenced activities that will teach him his vowels, consonants, blends, one- and two-vowel words, and special sounds. <i>Abeka</i> phonics has produced thousands of successful readers for	08/08 - 05/23

## COURSE DESCRIPTION

	more than half a century!	
<b>Reading</b>	<b>Reading</b> —Building on this foundation of phonics, by end of first semester your child will actually be reading little readers!	08/08 - 05/23
<b>Development Skills</b>	<b>Development Skills</b> —The coloring pages, mazes, directed-art pages, and other activities in <i>Think and Learn K5</i> aid your kindergartener in the development of writing readiness, hand-eye coordination, visual perception, listening and thinking skills, and good character.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 1**

**Home Education Program: Abeka Academy**

<b>Subject</b>	<b>Description</b>	<b>Dates</b>
<b>Bible</b>	<b>Bible 1-</b> Daily study of God’s word through suggested songs, prayer, doctrinal drills, Bible memorization, and Bible Flash Cards.	08/08 - 05/23
<b>Cursive Writing</b>	<b>Cursive Writing-</b> Student’s will master letter formation, size, slant, spacing, correct posture for writing, and correct position for paper and pencil. The course will begin with letters and progresses to phonics blends of more than one letter, special sounds, and words for the student to trace and copy. Phonics, spelling, and creative writing skills are built into the exercises.	08/08 - 05/23
<b>Reading</b>	<b>Reading 1-</b> Students will study word analysis skills, build vocabulary, increase reading comprehension, and further develop the thinking process as they’re assigned various books/stories.	08/08 - 05/23
<b>Math</b>	<b>Arithmetic 1-</b> Students will study geometric shapes and concepts, arithmetic terms, money, ordinal numbers, calendar concepts, linear measures, telling time, weight measures, capacity measures, temperatures, fractions, Roman numerals, and place value.	08/08 - 05/23
<b>Spelling</b>	<b>Spelling and Poetry-</b> Students will study phonics-based word	08/08 - 05/23

## COURSE DESCRIPTION

	lists. Complete activities that reinforce reading skills and teach spelling. Students will also memorize 8 poems.	
<b>History</b>	<b>History and Geography:</b> Students will study famous American people and documents. In addition, students will study countries such as Mexico, Peru, The Bahamas, England, The Netherlands, Israel, Italy, Kenya, China, Australia. They will also study the continents and the oceans.	08/08 - 05/23
<b>Science</b>	<b>Discovering God's World:</b> Students will study plants, animals, insects, energy, health, the seasons, and the five senses.	08/08 - 05/23
<b>Physical Education</b>	<b>Physical education-</b> is a structured program that includes a variety of activities, such as exercises, games, sports, and dances. It's designed to help students develop motor skills, knowledge, and behaviors that support healthy living.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 2**

**Home Education Program: Abeka Academy**

<b>Subject</b>	<b>Description</b>	<b>Dates</b>
<b>Bible</b>	<p><b>Bible 2-</b> Students will study old Testament characters such as Joshua, Ruth, and Jonah, among many more. Students will be required to memorize various verses and will be taught the mercy and faithfulness of God as it is displayed throughout the Bible.</p>	<b>08/08 - 05/23</b>
<b>Math</b>	<p><b>Arithmetic 2-</b> Students build a foundation for learning more abstract concepts. Students learn how to apply mathematical concepts to real-life situations. Concepts taught or reviewed in Arithmetic 2 include counting, place value, addition and subtraction, money, time, graphs, simple geometry, multiplication and division, and Roman numerals.</p>	<b>08/08 - 05/23</b>
<b>Reading</b>	<p><b>Reading Comprehension 2-</b> Students will advance their reading and comprehension skills as they reinforce the application of phonics rules. The early readers correlate with the progression of the concepts and sounds presented in the phonics curriculum. Subsequent readers include children's classics, stories from America's past, selections by famous authors, and stories with heroes that the children can emulate. One reader is a juvenile novel, another presents life in Israel in the days of Christ, and others</p>	<b>08/08 - 05/23</b>

## COURSE DESCRIPTION

	include fables, animal tales, stories from children’s classics, biographical stories, poetry, Scripture readings, and patriotic stories.	
<b>Language Arts</b>	<p><b>Phonics and Language 2-</b>            Students will review vowel sounds and consonant sounds, and how to blend them together. Students learn consonant blends, diphthongs, digraphs, and clue words to help them remember these sounds. Language concepts are expanded as students learn to apply the following concepts: recognizing and correctly punctuating four kinds of sentences; identifying and correctly using nouns, verbs, adjectives, and adverbs; identifying subject and predicate of sentence; using and identifying compound words, rhyming words, antonyms, synonyms, contractions, and singular possessive words; forming plural nouns by applying spelling rules.</p>	<b>08/08 - 05/23</b>
<b>History</b>	<p><b>History and Geography-</b>            The study of America’s early days. Students will study the lives of groups of people who have made valuable contributions to American heritage: the Pilgrims, Native Americans, early colonists, pioneers, cowboys, and immigrants. In addition to maps and geographical facts about America.</p>	<b>08/08 - 05/23</b>
<b>Cursive Writing</b>	<p><b>Cursive Writing-</b> Writing emphasizes neatness and correct letter formation in daily practice. Writing habits which are polished during second grade will greatly influence students’ penmanship skills throughout life.</p>	<b>08/08 - 05/23</b>

## COURSE DESCRIPTION

	<p><b>Creative Writing:</b> Penmanship class will focus primarily on creative writing skills and some penmanship review. Creative writing skills will be taught in a sequence that will prepare students to write their own stories incorporating higher level thinking skills into imaginative writing.</p> <p><b>Writing &amp; Grammar:</b> Students will be taught good penmanship. Students will emphasize neatness and correct letter formation in daily practice. Creative writing skills will be taught in a sequence that will prepare students to write their own stories incorporating higher level thinking skills into imaginative writing.</p>	
<p><b>Science</b></p>	<p><b>Enjoying God’s World:</b> Study of God’s plan for creation. Students will increase both their reading comprehension and their knowledge of scientific concepts while learning about the human body, plants, animals and their habitats, matter and energy, and earth and space from God’s viewpoint.</p>	<p><b>08/08 - 05/23</b></p>
<p><b>Physical Education</b></p>	<p><b>Physical education</b> is a structured program that includes a variety of activities, such as exercises, games, and sports. It's designed to help students develop motor skills, knowledge, and behaviors that support healthy living.</p>	<p><b>08/08 - 05/23</b></p>

## COURSE DESCRIPTION

**Grade: 4**

**Home Education Program: Abeka Academy**

<b>Subject</b>	<b>Description</b>	<b>Dates</b>
<b>Bible</b>	<b>Bible 4-</b> Each lesson prompts you to say the Pledge of Allegiance, sing songs from the Sing unto the Lord Songbook, pray, recite Bible verses for memorization, discuss doctrinal truths to establish the foundation of a biblical worldview, and teach the lessons presented within the correlating Flash-a-Card sets.	08/08 - 05/23
<b>Math</b>	<b>Arithmetic 4-</b> Practice multiplying and dividing 2-digit numbers, estimating, and writing decimals as fractions. Your child will solidify his understanding of square measures, simple geometry, proper and improper fractions.	08/08 - 05/23
<b>Reading</b>	<b>Reading 4-</b> This reading curriculum explores the works and the lives of renowned authors and artists throughout different literary time periods.	08/08 - 05/23
<b>History</b>	<b>The History of Our United States</b> - From the days of Christopher Columbus to the United States' involvement in Operation Iraqi Freedom, teach your child about the discoveries, innovations, documents, wars, and people that have played a part in establishing America's greatness. Charts of states and Presidents plus foundational documents such as the Preamble to the Constitution, the First Amendment, the Gettysburg Address, and more are included in	08/08 - 05/23

## COURSE DESCRIPTION

	the back of the text for your child to memorize and appreciate for their historical importance.	
<b>Science</b>	<b>Understanding God's World-</b> learn how to make an insect zoo, how to identify plants and rocks, how to attract birds to his own backyard, and how to interpret cloud formations. Your child will appreciate the miracle of plant germination, the causes of weather, the design of the starry heavens, the ecology of the ocean depths, and other aspects of God's creative genius.	08/08 - 05/23
<b>Writing</b>	<b>Writing with Purpose 4-</b> Your students will complete Word-craft activities that encourage thinking skills, creativity, handwriting proficiency, and penmanship enhancement. Your students will learn to research, gather information, and organize ideas for historical and scientific multi-paragraph essays that will prepare them to become independent and confident writers.	08/08 - 05/23
<b>Language Arts</b>	<b>God's Gift of Language 4-</b> Develop your fourth-grade students into effective communicators through the personal application of grammar, mechanics, word usage, and writing projects.	08/08 - 05/23
<b>Spelling and Vocabulary</b>	<b>Spelling Vocabulary &amp; Poetry 4-</b> learn the exact meaning of words, improve proofreading skills, and appreciate good poetry with Spelling.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 5**

**Home Education Program: Abeka Academy**

<b>Subject</b>	<b>Description</b>	<b>Dates</b>
<b>Bible</b>	<b>Bible 5-</b> Each lesson prompts you to say the Pledge of Allegiance, sing songs from the Sing unto the Lord songbook, pray, review doctrinal truths, practice memorizing Scripture, and teach Bible stories through Abeka Flash-a-Cards.	08/08 - 05/23
<b>Math</b>	<b>Arithmetic 5-</b> Topics covered include more advanced word problems, pre-algebra concepts, basic geometry, estimating, rounding, and how to apply all of these concepts to daily life.	08/08 - 05/23
<b>Reading</b>	<b>Reading 5-</b> lesson plans encompass grammar, composition, spelling, vocabulary, poetry, reading comprehension, speed reading, and penmanship.	08/08 - 05/23
<b>History</b>	<b>Old World History &amp; Geography-</b> Discover the alphabet with the Phoenicians, sail to India with Vasco da Gama, check out Africa's largest waterfall—Victoria Falls, or strike up a game of cricket in England. Travel from the beginning of recorded history all the way to present day and meet many famous explorers, leaders, and missionaries along the way.	08/08 - 05/23
<b>Science</b>	<b>Investigating God's World-</b> The aim is to help students really understand basic principles of science. The text presents the world as the creation of God and glorifies Him as its Sustainer and Upholder. It introduces great scientists and	08/08 - 05/23

## COURSE DESCRIPTION

	naturalists who believed in the biblical account of Creation, and where appropriate, it refutes the materialist's faith in evolution. Students learn about plants, animals, matter, energy, light, minerals, and other topics.	
<b>Writing</b>	<b>Penmanship Mastery II-</b> Students will work on basic formation, correct pen grip, slant, size, and neatness. Then students are given the opportunity to employ their skills in creative writing and word studies.	08/08 - 05/23
<b>Language Arts</b>	<b>God's Gift of Language B-</b> increase students' abilities and communication skills in both spoken and written language. Whether diagramming compound sentences or completing a research project, fifth-grade students will find that this write-in text provides them abundant opportunities to understand and apply skills in analyzing, using, and writing the English language.	08/08 - 05/23
<b>Spelling and Vocabulary</b>	<b>Spelling Vocabulary &amp; Poetry 5-</b> With 34 word lists, students will learn to spell words correctly and use vocabulary words in the proper context. Exercises in each lesson boost proofreading skills and correct word usage. Six poems by famous authors will also be studied.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 6**

**Home Education Program: Abeka Academy**

<b>Subject</b>	<b>Description</b>	<b>Dates</b>
<b>Bible</b>	<p><b>Bible 6-</b> Curriculum Plans provide complete day-by-day lesson outlines that include suggested songs, prayer, a doctrinal drill, Bible memorization, and a Bible story title using the sold-separately Bible Flash-a-Cards.</p>	08/08 - 05/23
<b>Math</b>	<p><b>Arithmetic 6-</b> Topics covered include problem solving, percents, basic geometry, measures, fractions, decimals, proportions, beginning algebra, prime and composite numbers, graphs and statistics, and practical arithmetic.</p>	08/08 - 05/23
<b>Reading</b>	<p><b>Reading 6-</b> This reading curriculum explores the works and the lives of renowned authors and artists throughout different literary time periods. Students will analyze the works of celebrated authors such as Robert Frost, Henry Wadsworth Longfellow, and Laura Ingalls Wilder. They will also examine the works of beloved artists such as Garth Williams, Wesley Dennis, and others.</p>	08/08 - 05/23
<b>History</b>	<p><b>New World History &amp; Geography-</b> Study the characteristics and geographical features of Canada, United States, Mexico, Caribbean, Central America, and South America.</p>	08/08 - 05/23

## COURSE DESCRIPTION

<b>Science</b>	<b>Observing God's World-</b> This sixth grade curriculum teaches students important science concepts across a range of topics, including how creation refutes the idea of evolution. Students explore plants, invertebrates, earth, the universe (galaxies, constellations, moon), space (light, astronomy, space stations, planets), and matter & chemistry.	08/08 - 05/23
<b>Writing</b>	<b>Penmanship Skills and Creative Writing-</b> Students will learn about what characterizes good writing as they study observation & creativity, poetry, and journal writing.	08/08 - 05/23
<b>Language Arts</b>	<b>God's Gift of Language C Writing &amp; Grammar-</b> Students will study grammar, composition, and mechanics in a clear, systematic, and appealing manner. Students will also learn how to research and write a paper, use adjectives effectively, and master troublesome words.	08/08 - 05/23
<b>Spelling and Vocabulary</b>	<b>Spelling Vocabulary &amp; Poetry 6-</b> Students will work through word lists that emphasize Greek and Latin roots, prefixes, and suffixes. Students will study and memorize 8 poems.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 7**

**Home Education Program: Abeka Academy**

Subject	Description	Dates
<b>Bible</b>	<b>Exodus and Judges-</b> Students will study the books of Exodus and Judges, from the wall falling at Jericho to the wall being rebuilt at Jerusalem.	08/08 - 12/20
<b>Bible</b>	<b>Life of Christ-</b> Students will study the life of Christ, from the promise of a Savior to Jesus' death, resurrection, and ascension.	01/07 - 05/23
<b>Math</b>	<b>Intermediate Math-</b> Students will study from arithmetics and geometry to statistics and algebra. They will review concepts from previous years and build off of them with Intermediate Mathematics.	08/08 - 05/23
<b>English 7</b>	<b>English Literature: Of People VSP, Grammar and Composition 1</b> Students will study excerpts from famous books such as Farmer Boy, Robinson Crusoe, Little Women, A Christmas Carol, The Pilgrim Progress, and more, students will gain an understanding of people from different ages, cultures, and economic backgrounds.	08/08 - 05/23
<b>Science</b>	<b>Science Order and Design-</b> The study of healthy living, the miraculous stages of a baby's development, exploring the animals of the sea, the intricate designs of plant life, and more.	08/08 - 05/23
<b>P.E</b>	<b>Physical Fitness-</b> Students will be taught physical fitness and health through physical activity and movement exploration.	08/08 - 05/23

## COURSE DESCRIPTION

**Grade: 8**

**Home Education Program: Abeka Academy**

### Course Descriptions:

Subject	Description	Dates
<b>Bible</b>	<b>Acts-</b> Chapter by chapter, verse by verse. Students will go through a study of the books of Acts.	08/08 - 12/20
<b>Bible</b>	<b>Joshua and Judges-</b> Chapter by chapter, verse by verse. Students will go through a study of the books of Joshua and Judges.	01/07 - 05/23
<b>Math</b>	<b>Pre-Algebra</b> —Introduction to algebraic expressions, solving equations, rational and irrational numbers, and graphing equations. This work-text has everything your child needs for a successful year of Pre-Algebra	08/08 - 05/23
<b>English 8</b>	<b>Grammar and Composition</b> —Guide your child through higher grammar concepts and writing skills with Grammar and Composition II. This work-text includes many exercises to help your child learn the new concepts and review previous lessons. Additionally, your child will complete 22 writing exercises! <b>Vocabulary, Spelling, Poetry</b> —The emphasis on the origin of vocabulary words; word analysis through the study of prefixes, roots, and suffixes; and word analogies is an education in itself! In addition to 280 vocabulary words, your teen will learn over 500 spelling words and many synonyms and antonyms, as well as memorize several poems!	08/08 - 05/23
<b>Science</b>	<b>Earth and Space</b> — From earthquakes and	08/08 - 05/23

## COURSE DESCRIPTION

	<p>volcanoes to clouds and galaxies, show your child the features of God's Creation here on earth as well as outer space with Science: Earth and Space! This textbook guides your child through a study of geology, oceanography, meteorology, astronomy, and environmental science.</p>	
<p><b>P.E</b></p>	<p><b>Physical Fitness-</b> Students will be taught physical fitness and health through physical activity and movement exploration.</p>	<p>08/08 - 05/23</p>

## COURSE DESCRIPTION

**Grade: 9**

**Home Education Program: Abeka Academy**

Subject	Description	Dates
<p><b>Bible</b></p>	<p><b>Hebrew History: Kings of Israel-</b> Students will study God’s Word, looking into Israel’s fascinating history. In the first half of the class, students will study Israel’s United Kingdom from the suffering under King Saul to the blessings under Kings David and Solomon. The second half of the course covers the Divided Kingdoms of Israel and Judah, the Assyrian and Babylonian captivities, and the return of the Jewish people to Jerusalem. Two major themes studied throughout this course are the blessings of repentance and obedience and the consequences of defiance and disobedience.</p>	<p>08/08 - 05/23</p>
<p><b>Math</b></p>	<p><b>Algebra 1</b>—Students will work with axioms, rules, and principles of algebra as they learn how algebra relates to the physical world.</p>	<p>08/08 - 05/23</p>
<p><b>English 9</b></p>	<p><b>Literature</b>—Notable works like Hamlet, Up from Slavery, and Great Expectations teach us beautifully about life and mankind. The analysis of thematic elements such as humility, justice, faith, and love help your teen appreciate the works even more.</p>	<p>08/08 - 05/23</p>

## COURSE DESCRIPTION

	<p><b>Grammar and Composition</b>—Good writing and proper grammar take practice! Your teen will work on perfecting paragraph unity and coherence and improving sentences in his continued efforts to write clear and concise compositions.</p> <p><b>Vocabulary, Spelling, Poetry</b>—The 20 weekly spelling words and 10 vocabulary words from the literature will take your teen one step closer toward perfecting his communication skills. And he will learn from memory 10 poems, including Portia’s famous speech from The Merchant of Venice, “The Quality of Mercy.”</p>	
<p><b>Science</b></p>	<p><b>Physical Science</b>—Your teen will be prepared for chemistry and physics through the foundational principles he learns this year. He will start with scientific measurements and the different forms of matter and graduate into chemical reactions and electricity.</p>	<p>08/08 - 05/23</p>
<p><b>P.E</b></p>	<p><b>Physical Fitness</b>- Students will be taught physical fitness and health through physical activity and movement exploration.</p> <p><b>Health</b>- This one-semester study of health teaches the tools to develop good spiritual and physical health and biblical discernment.</p>	<p>08/08 - 05/23</p>

## COURSE DESCRIPTION

**Grade:** 10

**Home Education Program:** Abeka Academy

Subject	Description	Dates
<b>Bible</b>	<b>Doctrines-</b> a clear scriptural study of nine doctrines covering the Bible, God, Christ, the Holy Spirit, man, salvation, the church, angels, and end times.	08/08 - 05/23
<b>Math</b>	<b>Algebra 2-</b> Your young mathematician will continue to build upon his knowledge of Algebra while learning how to put the practice the concepts he has learned in the physical world.	08/08 - 05/23
<b>History</b>	<b>World History—</b> Your teen will take a closer look at the important events that have shaped the world we live in today. From the early history of mankind to the more current events he will see how God has moved among the human race and used even the bad things to bring glory to His name.	08/08 - 05/23
<b>English 10</b>	<b>Literature—</b> Notable works from Shakespeare, Nathaniel Hawthorne, and Robert Frost teach us beautifully about life and mankind. The analysis of thematic elements such as humility, justice, faith, and love help your teen appreciate the works even more. <b>Grammar and Composition—</b> Good writing and proper grammar take practice!
